

The diagram illustrates a mechanical assembly in cross-section. The main body (12a) features a central circular opening (18) with diameter D_r . The lower component (14a) has a central circular opening (20) with diameter D_b . A rectangular component (14d) is positioned between the two openings. The main body has a top flange (13a) and a bottom flange (13b). The lower component has a top flange (14c) and a bottom flange (14b). The diagram is labeled with various reference numerals: 12a, 13a, 13b, 14a, 14b, 14c, 14d, 18, 20, 22a, 22b, 22c, 24, D_r , and D_b .
